Dear Parent/Guardian,

The Ontario Secondary School Literacy Test (OSSLT) will be written by first – time eligible students (Grade 10) and students who have previously attempted the test but were unsuccessful. **Successful completion of this test** (or the Ontario Literacy Course OLC) **is a graduation requirement**. This year, the OSSLT will take place on **Wednesday, March 27, 2019**.

Medway will be following an alternative schedule on that date to accommodate for the supervision and administration of the OSSLT and to provide our students the time an opportunity to perform as successfully as possible.

**Period 1: 8:15-9:45/10:00/10:15** (staggered dismissal to accommodate for various completion times)

**BREAK 10:15-10:30**

**Period 2: 10:30-11:45/12:00/12:15**

**LUNCH 12:15-1:00**

**Period 4: 1:00-2:15**

**Grade 9 Students:** All Grade 9 classes will attend their classes as per the above schedule.

**Grade 11/12/Year 5 Students:** Are invited to attend Medway to pursue Independent Study. Students will report to either the Cafeteria or Room 248 (Computer Lab) for quiet study, tutorial assistance, homework completion, etc. These locations will be staff supervised and attendance will be taken for those present.

Regards,

G. Howard; Principal
